Spotless was established in Edinburgh in 1988 by our Chairman, Roger Green while he was still a student. Initially, it was called Spotless Office Cleaning, then became Spotless Commercial Cleaning Ltd when it was incorporated in 1996.

We have grown steadily and now employ over 2,000 staff across the UK. Our turnover this year will be approximately £21m. Spotless provides full UK self-delivery and does not subcontract daily cleaning for any of our clients.
